

# Game changing technology.

With the industry's leading golf buggy.

## The E-Z-GO RXV.

The E-Z-GO RXV continues as the long-standing leader in golf car innovation. Equipped with AC drive train efficiency and IntelliBrake™ technology, the E-Z-GO RXV raises the bar on superior golf car performance.

No other vehicle delivers such a reliable, efficient performance, with a high overall quality & feel. The E-Z-GO RXV offers premium features and upgrades that clubs & golfers both like and find invaluable.

We offer the RXV in a wide variety of colours with many optional extras such as premium seats, full weather enclosures and light kits to elevate your buggy experience to a new level on the course.

### ELiTE Lithium

Powered by Samsung SDI Lithium Technology

### EX1

Electric Fuel Injection Petrol Engine
